

Hughes, McK.

McK. Hughes worked as an architect in the UK in the early years of the twentieth century. A photograph of the dining room at 'Hurstmonceaux Place', Sussex, by McK. Hughes, architect, is featured in 'The Studio Yearbook of Decorative Art' 1906 (p.31).

[Note: McK. Hughes is a bit of a mystery. The name does not appear in any of the architectural directories of this period consulted and an Internet search drew a blank]
