

Herron, H.

H. Herron worked as an architect in the UK in the 1920s. A photograph of a house at Helme's End, Wingletye Lane in Homechurch, Essex, designed by H. Herron, with Portland cement panels modelled by Arthur Glover is illustrated in 'Decorative Art' 1928 (p.60).

Note: it is possible that this architect was [Arthur Harry Heron](#) (1863-1965)
