

Knott & Round c. 1908 - ?

Knott & Round was an architectural partnership formed in London in c.1908 by [Ralph Knott](#) (1878-1929) and [Douglas Gray Round](#) (1882-1936). They unsuccessfully submitted an entry in a competition to design municipal buildings in Bethnal Green, London. Their designs are illustrated in *British Competitions in Architecture* vol. 2, no. 15, February 1908 (pp. 116-117). The partnership with Round may have been formed specifically and only for this competition as there is no evidence of their work together after this date.
