

## **Bolshaw, George Edward 1863 - 1938**

George Edward Bolshaw was born in Crewe, Cheshire, England on 26 March 1863. By the 1890s he was working as an architect in Southport, Cheshire, however, it is not known where or with whom he received his training. By 1898 he was junior partner in the architectural firm Hurst & Bolshaw in Southport. In 1901 his address was given as 73 Hampton Road, Southport. Soon after he formed a partnership with Henry J. Stevens as G. E. Bolshaw and H. J. Stevens. They had office at 1 Princes Street, Harrogate, Yorkshire. The partnership was dissolved in December 1906. Bolshaw may have remained in Southport during his partnership with Stevens as his address was given as 371 Lord St., Southport in 1908. He continued to live in Southport for the rest of his career as an architect.

Bolshaw was a Fellow of the Manchester Society of Architects. He died on 30 July 1938. His address at the time of his death was given as Clairville Mansions, Gloucester Road, Birkdale, Southport
