

Archer, Oswald 1871 - ?

Oswald Archer was born in Armley, near Leeds, Yorkshire, England on 24 October 1871. In the England census of 1901 his occupation is given as Architect's Assistant and in the 1911 England census it is given as Architect and Surveyor, however it is not known where or with whom he trained as an architect. He had evidently begun practising as an independent architect about 1905. In 1906 he was appointed architect to the Salvation, a position he held until 1936.

On 6 May 1915 Archer was made a Freeman of the City of London
