

Easton & Robertson 1919 - 1931

The architectural firm Easton & Robertson was founded by [John Murray Easton](#) (1889-1975) and [Howard Morley Robertson](#) (1888-1979) in London, England in 1919.

In c.1931 they merged their practice with that of Edwin Stanley Hall (1881-1940) to form [Stanley Hall, Easton & Robertson](#). Hall died in 1940 but the name Stanley Hall Easton & Robertson was retained for a number of years.

By c.1959 the name of the firm had changed to Easton & Robertson Cusdin Preston & Smith.

Works

Projects by Easton & Robertson included 'Old Bodnod' in North Wales (1920); Luckington Court in Wiltshire (1921); Fulmer Grange in Slough (1922); the pavilion, swimming pool and bathing station at Prestatyn in North Wales (1922-23); Watford Court in Northamptonshire (1924); the British Government Pavilions at Exposition Internationale des Arts Décoratifs et Industriels Modernes in Paris in 1925; the Golf House Hotel in Prestatyn, Wales (1925); and the Royal Horticultural Society Hall in London (1928).

Projects by Stanley Hall, Easton & Robertson included flats in Avenue Close, Hampstead, London (c.1937); a nurses' house at Elizabeth Garrett Anderson Hospital on Euston Road, London (c.1938); additions to the Hospital for Sick Children in Guilford Street, London (c.1938); the School of Anatomy, University of Cambridge (c.1938); the pavilion for Great Britain and its Possessions for the New York World's Fair 1939-40; Loughton Station for the London Passenger Transport Board and London and North Eastern Railway (1941); and the Oxford University Press building in Neasdon, London (c.1944).
